## Doshas and Remedies

### Kaal Sarp Dosh

Kal Sarp Dosha one of the bad doshas which causes effect on our Mental and physical life. As a dosha of heredity it gives delays and misfortunes. It makes people to live with no success and live for others. When all the planets are hemmed between Rahu and Ketu i.e., the moon's north node and the moon's south node Kaalsarp Yoga is formed. Complete Kaalsarp yoga is formed only when half of the chart is unoccupied by planets. Even if one planet is outside the Rahu, Ketu Axis there is no Kaalsarp Yoga.

**You don't have Kalasarpa dosha in your chart.**

### Mangal Dosh

Mars is planet of emotions. In a birth chart if Mars is well placed then they will have control in their emotions and when Mars badly placed or placed in 1st, 4th, 7th, 8th or 12th house then that person unable to control their emotions. Placement of Mars in these houses causes problem in marriage life due to their heavy emotional behaviour and anger. This Kuja dosha or Mangal dosha or chevvai dosham also causes delay in marriage and problems after marriage. So knowing about this dosha will help you to perform remedies and reduce negative effect of this dosha and having timed marriage and happy married life.

**You have Mars in Seventh House (Kalatra Sthana). This is indicating that you have Mangal dosh in your chart.**

Mars is debilitated in your chart. This is reducing your Mangal dosh, still better perform remedies to Mars to get favorable result from Mars.

### Remedies

Chant Subrahmanya stotra everyday

Chant Kuja mantra for 7000 times. If you are unable to do yourself ask any learned pundit to do it on your behalf.

Donate Toor Dal and red cloth on Tuesday.

Perform Kalyanam (marriage) of Lord lakshmi narasimha on Tuesday.

Some Astrologers suggest to wear Coral to reduce Kuja dosha effect but this is not correct better do not wear it without proper checking.

Mars is Debilitated in your Horoscope so effect of Mangal dosh has been nullified.
